

Canyon Independent School District

Darryl Flusche, Superintendent

May 30, 2017

Dear Parent or Guardian,

We are excited to announce Canyon ISD's new technology initiative, iConnect. Beginning with the 2017-2018 school year, we will issue a Chromebook to every 9th through 12th grader. iConnect will:

- Allow students to extend their learning past the school day
- Integrate 21st Century Skills into everything we do: Communication, Collaboration, Critical Thinking and Creativity

Each student receiving a district issued Chromebook will pay a usage fee of \$40, to be paid annually. Payments can be made online through My Payments Plus at www.canyonisd.net, beginning Friday, July 7th. At that time, a payment plan can be created through My Payments Plus with a minimum of \$10.

For a deeper explanation, we will hold iConnect Parent Meetings at Canyon ISD's District Support Center beginning the second week of June. Dates and times are below:
