

The District shall support the general wellness of all students by implementing measureable goals to promote sound nutrition and student health and to reduce childhood obesity.

[See EHAA for information regarding the District's coordinated school health program.]

DEVELOPMENT,
IMPLEMENTATION,
AND REVIEW OF
GUIDELINES AND
GOALS

The local school health advisory council (SHAC), on behalf of the District, shall review and consider evidence-based strategies and techniques and shall develop nutrition guidelines and wellness goals as required by law. In the development, implementation, and review of these guidelines and goals, the SHAC shall permit participation by parents, students, representatives of the District's food service provider, physical education teachers, school health professionals, members of the Board, school administrators, and members of the public.

[See BDF for required membership of the SHAC.]

WELLNESS PLAN

The SHAC shall develop a wellness plan to implement the District's nutrition guidelines and wellness goals. The wellness plan shall, at a minimum, address:

1. Strategies for soliciting involvement by and input from persons interested in the wellness plan and policy;
2. Objectives, benchmarks, and activities for implementing the wellness goals;
3. Methods for measuring implementation of the wellness goals; and
4. The manner of communicating to the public applicable information about the District's wellness policy and plan.

The SHAC shall review and revise the plan on a regular basis and recommend revisions to the wellness policy when necessary.

NUTRITION
GUIDELINES

The District's nutrition guidelines for reimbursable school meals and all other foods and beverages sold, otherwise made available, or marketed to students during the school day shall be designed to promote student health and reduce childhood obesity and shall be at least as restrictive as federal regulations and guidance, except when the District allows an exemption for fundraising activities as authorized by state and federal rules. [See CO and FJ]

WELLNESS GOALS
NUTRITION
PROMOTION AND
EDUCATION

The District shall implement, in accordance with law, a coordinated school health program with a nutrition education component. [See EHAA] The District's nutrition promotion activities shall encourage participation in the National School Lunch Program, the School

Breakfast Program, and any other supplemental food and nutrition programs offered by the District.

The District establishes the following goals for nutrition promotion:

1. The District's food service staff, teachers, and other District personnel shall consistently promote healthy nutrition messages in cafeterias, classrooms, and other appropriate settings.
2. The District shall share educational nutrition information with families and the general public to promote healthy nutrition choices and positively influence the health of students.

The District establishes the following goal for nutrition education:
The District shall deliver nutrition education that fosters the adoption and maintenance of healthy eating behaviors.

PHYSICAL ACTIVITY

The District shall implement, in accordance with law, a coordinated health program with physical education and physical activity components and shall offer at least the required amount of physical activity for all grades. [See BDF, EHAA, EHAB, and EHAC]

The District establishes the following goals for physical activity:

1. The District shall provide an environment that fosters safe, enjoyable, and developmentally appropriate fitness activities for all students, including those who are not participating in physical education classes or competitive sports.
2. The District shall encourage parents to support their children's participation, to be active role models, and to include physical activity in family events.
3. The District shall encourage students, parents, staff, and community members to use the District's recreational facilities, such as tracks, playgrounds, and the like, that are available outside of the school day. [See GKD]

SCHOOL-BASED
ACTIVITIES

The District establishes the following goals to create an environment conducive to healthful eating and physical activity and to promote and express a consistent wellness message through other school-based activities:

1. The District shall allow sufficient time for students to eat meals in cafeteria facilities that are clean, safe, and comfortable.
2. The District shall promote employee wellness activities and involvement at suitable District and campus activities.
