ASSURANCES

By the end of Art II-Ceramics the student is expected to:

- **Rely on their perceptions of the environment, developed through increasing visual awareness and sensitivity to surroundings, memory, imagination, and life experiences, as a source for creating artworks.**
- **Express their thoughts and ideas creatively, while challenging their imagination, fostering reflective thinking, and developing disciplined effort and problem-solving skills.**
- **Develop respect for the traditions and contributions of diverse cultures.**
- **Respond to and analyze artworks, thus contributing to the development of lifelong skills of making informed judgments and evaluations.**
