

Student Illness	Procedures shall be established by the administration to ensure that proper attention is given to any student who becomes ill during the course of a school day.
Accidents Involving Students	Emergency procedures shall be established by the administration to ensure proper attention for any student injured at school. Records shall be maintained on all accidents that require the attention of a medical doctor.
Emergency Treatment Forms	Each year, students and parents shall complete and sign a form that provides emergency information and authorizes school officials to obtain emergency medical treatment, as provided by law.
Purchasing Medication	The District shall not purchase nonprescription medication to administer to a student.
Administering Medication	No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as provided below.
Exceptions	Employees authorized by the Superintendent or designee may administer to students:
<i>Provided by Parent</i>	<ol style="list-style-type: none">1. Prescription medication in accordance with legal requirements, for a period of up to 15 days. [See FFAC(LEGAL)] A written request by a physician or other health-care professional with authority to write prescriptions shall be required when the medication must be administered for a longer period.2. Nonprescription medication, upon a parent's written request, when properly labeled and in the original container.3. Non-FDA-approved herbal substances or dietary supplements only:<ol style="list-style-type: none">a. If required by the individualized education program or Section 504 plan of a student with disabilities; orb. In accordance with a prescription from a physician or other health-care professional with authority to write prescriptions, and if medical use of the product for treatment of the student's condition has been demonstrated by peer-reviewed clinical trials and documented in medical literature.
Medicine Containers	The District's registered nurses shall have the authority to designate licensed vocational nurses to fill unit dosage containers in accordance with law. [See FFAC(LEGAL)]

Psychotropics

Except as permitted by Education Code 38.016, an employee shall not:

1. Recommend to a student or a parent that the student use a psychotropic drug;
2. Suggest a particular diagnosis; or
3. Exclude the student from a class or a school-related activity because of the parent's refusal to consent to psychiatric evaluation or examination or treatment of the student.
